

Photo Newsletter Pre-school

Dear Parent

This year your child/children's photographs will be taken by N.C. Pic's Photography.

This is a PRE-PAID System. No change can be given on the day. Please ensure you keep your envelope in a safe place. You need to return it completed and sealed on or before one of the days marked below. We cannot alter the packages, however you can order reprints at a later date.

Photograph days can be busy and hectic for the staff at your centre, so please ensure that **ALL DETAILS** on your envelope are completed **clearly** and in on time. This will avoid any confusion on the day and allow things to run smoothly.

For sibling photos you have two choices, either include all children in package 1 or use the sibling add on package, this will go into the Childs packs you have nominated it for.

Your child/children may only attend one or several days per week, so **please mark the "Room/Class" name and "What Day"** you would like their photo taken on the envelope. Although they will be in all their room group photo each day, this will help in determining what group photo you want.

We will start individual photographs early in the mornings so children are still neat, tidy and happy. If you have a change of clothing please advise the staff so they can change them before their individual photo and write it on the envelope.

Children can react differently to having their photo taken and N.C.Pic's will do there utmost in getting the best shot. However if your child/children are not having a good day or is away sick, one other day will be made for any re-shoots or a complete refund on your purchase if you are not pleased with the result. You will have to contact the centre for these details at a later date.

Thank you for your assistance. Photos should be returned to your centre for collection approximately three to four weeks later. For further enquiries contact the number provided below.

Thank you
