Dear Newlyweds

Thank you for allowing N.C.Pic's Photography to be part of and photograph your special day.

Enclosed in this envelope is the paperwork needed to create your album and photos of your wedding day.

CD

This CD is yours to keep. Place this into the CD drive of your computer and click on "index". This is a Lo Res copy of all the images taken on the day. They are straight downloads from the camera and have not been edited or altered in anyway. This is for you to select the photos you would like printed. It also has examples of ways in which your photos can be altered, however, we can do much more. Also included are copies of the following paperwork.

PRINT ORDER FORM.

Step 1. Please use this area to select the 5x7 images you would like. Refer to your package for the amount you have included (you can certainly order more photos but please use the sheet titled reprint order form for any others).

Step 2. Select the package you have chosen.

Step 3. Select your images you would like to have in your album (these can include some of the images from step 1).

Step 4. Select the type of album cover and finish you would like.

Step 5. Post, fax, email this page along with any family reprints you have. **As soon As Possible!**

PLEASE RETURN YOUR PRINT ORDER FORM WITHIN ONE MONTH TO AVOID RISING PRICES AND TO HAVE YOUR ALBUM AS SOON AS POSSIBLE.

REPRINT ORDER FORM

This can be handed out to friends, family and guests for them to order reprints at anytime however it is much easier to keep orders together and does help in sending these with your print order form. Please ensure payment is included.

WEDDING INFORMATION: NEWSPAPER

If you haven't already please fill this out and return ASAP if you would like a photograph placed in the Central Coast Express Wedding guide. This is at no charge to you.

Thank you again.

With Thanks
