Dear bride and groom to be,

Congratulations on your engagement and thank you for your enquiry for wedding photography for your upcoming wedding.

Photography is a very important part of your wedding day, if done in a professional and non-obtrusive way it will enhance your day and record those memories forever.

Once you have downloaded this letter please call our office to arrange a time to look at our portfolio of previous weddings. Have a chat with Neil and work out your exact needs for the day. Booking your wedding twelve to eighteen months in advance is not unusual. To avoid disappointment have your reception details finalized then book your photographer.

We look forward to meeting you and discussing further details of your wedding plans.

Yours faithfully
